

"I'll Ask In Faith"

by Lex de Azevado

I'll ask my Heavenly Father
I'll go to him in prayer
For I believe he'll answer me
He will be waiting there
I'm sure he wants to guide me
For I know he has a plan
And he has said he would reveal his will
If I would only ask

So I'll ask in faith
Looking to God for his guidance
I'll ask in faith
He'll help me just as he promised
I'll trust in him always
I must believe
That when I ask in faith
My Heavenly Father will answer me

So I'll ask in faith
Looking to God for his guidance
I'll ask in faith
He'll help me just as he promised
I'll trust in him always
I must believe
That when I ask in faith
My Heavenly Father will answer me
